

Portfolio Corporate Life-Multiculturalism

The target is to get useful info to make you ready to work in a multicultural environment & have efficient business partnership with people from different cultures.

The portfolio must include:

- The link of a video on a multicultural experience and its benefits
- The written text of your oral presentation
- A 250 words written text on what you have learnt during the presentation of one of our guest speakers.

Presentations on multiculturalism :

Choose any subject in relationship with multiculturalism :

- Show a 3' extract of your chosen video
- Explain what you have learnt & which you think might be useful as a future engineer
- Your presentation will be the opportunity to debate on so-called "soft skills".
