MASTER 2 INDUSTRIAL ENGINEERING

GUIDELINES TO ENGLISH PRESENTATION
December 2024

TASK:

"*Corporate* in *Culture*":

1. Choose a cultural object (film, TV show episode(s), novel, graphic novel, short story, song…) in English that depicts one (or several) of the topics or sub-topics that have been discussed in *English 5*[*] and/or in *Leadership skills*.

2. Prepare an oral group presentation that describes the object, how it relates to the course topic(s), and what it says about it/them. **Also include a part introducing and defining at least 3 expressions or idioms featured in the studied work.**

DETAILS:

*   Who? Groups of **3** or **4 people**

*   When? On the day of **the last class**

*   How long? between **10** and **15 minutes**

*   How?

    o   Use a **visual aid** (*powerpoint* or other)

    o   Make it **professional** yet **entertaining:** be creative and enthusiastic! *(Golden rule: **no reading**!)*

    o   Feel free **to show** parts of the object (clips, extracts…), but keep them rather short (if longer than 1 minute, ask for my approval)

ASSESSMENT:

The whole **group** will receive the same grade for the quality of the content, structure and visual aid of the presentation.

Each **member** will receive an individual grade for the quality of their spoken language and body language.

---

[*] The *English 5* course developed the following topics: language and expressions used in business and the corporate world; job-hunting in 2024 (networking, job offers, job applications, job interviews…), corporate culture: habits and issues (and their representations) of the workplace and the corporate world.
